2022 Collection

The most comfortable shoes on the planet made from
super fine Australian merino wool.

A woman with long, wavy red hair and sunglasses is captured mid-jump in a vibrant field of yellow wildflowers. She is wearing a blue short-sleeved shirt with a white polka-dot pattern, tied at the waist, and blue jeans. Her arms are outstretched, and she has a joyful expression. The background features rolling hills under a clear, bright blue sky with a few wispy clouds. The overall mood is one of freedom and happiness.

Welcome

We specialize in ultra comfortable shoes made from the finest Australian merino wool. We are Merinos.

The Merinos Collection

Our name says it all. We only produce footwear made exclusively from the finest Australian merino wool. We believe this is the best natural material to make a comfortable shoe! It is a renewable resource from merino sheep raised by certified cruelty free Australian farmers. Merino wool is breathable and stretches to give a great fit. We utilize a classic minimalist design that features a wide array of colors and a steady stream of new colors. Merinos can be worn with or without socks and can be ultra casual or dressed up a bit!
